

# Enjoy a Fun Tour on a Traditional Maltese Boat

A specially trained boatman would love to take you on a fully restored traditional Maltese boat on an enchanting tour around the harbour.

You can admire the gorgeous architecture of the buildings and the impressive design and size of the super yachts. You will also pass by plenty of historical points of interest whilst enjoying a relaxing time.

From your apartment you take the ferry to Valletta, and an electric car will be waiting for you to take you on a nice ride along the coast to the Waterfront, which is well worth a visit. You will then start your traditional boat tour. You can be under a canopy to give you some welcome shade.

The cost of the ferry to Valletta is E 3 return for an adult and E1 for a child and takes 15 mins. The electric cars are E7 for 4 people and will take 15 mins. I have

negotiated a discount on the traditional boat trip for my guests. So TRIP 1 = 30 mins = E10 per person. If there are 6 of you then it will be E9 if you say you came via Pam. TRIP 2 = 45 mins = E15 per person. If there are 6 of you then it will be E13 per person if you say you came via Pam. TRIP 3 = 50 mins = E50 for a couple to have the boat for a romantic trip by moonlight if you say you came via Pam (E5 discount for my guests). To book please let us know and we will arrange it for you.
